

The Higher Education Emergency Relief Fund II (HEERF II) provides funding to institutions for emergency financial aid grants to students whose lives have been disrupted by the coronavirus pandemic.

With regard to CARES Act Section 18004(a)(1), Ringling College of Art and Design acknowledges and assures that:

1. A signed Certification and Agreement was returned to the U.S. Department of Education.
2. At least \$636,610 has been provided as Emergency Financial Aid Grants to students, which is equal to the amount awarded under HEERF I.
3. \$630,500 in Emergency Financial Aid Grants has been provided to students as of March 31, 2021.
4. The estimated total number of Ringling College students eligible to participate in programs under Section 484 in Title IV of the Higher Education Act of 1965, and thus eligible to receive Emergency Financial Aid Grants to students was 572.
5. As of March 31, 2021, the total number of students who received an Emergency Financial Aid Grant is 571.
6. The Director of Financial Aid, Lee Harrell, and the Vice President for Finance and Administration, Tracy A. Wagner, PhD, met to address three issues: To identify the number of students eligible for Emergency Financial Aid Grants; to determine the best way to distribute those grants to students with the highest need; and to establish the process by which students receiving these monies would signify and acknowledge their understanding that the express purpose of the grants was to cover expenses related to the disruption of the campus operations resulting from COVID 19. Five scenarios for grant distribution were developed and presented to President Dr. Larry R. Thompson. Dr. Thompson selected the scenario that would provide grants ranging from \$500 to \$1500 to students with an Estimated Family Contribution (EFC) of less than \$20,000 for the 2020-21 academic year. Any remaining grant funding after initial awards are distributed will be made available based on the remaining Emergency Financial Aid Grants via email to

students and parents prior to the first disbursement of funds.
